### **A Love that Drives Out Fear 1, 2 & 3 John- She Reads Truth**

John's letters makes the overwhelming point that the gospel is true – and packs into these 3 little letters over 40 assurances of the faith.

In this study we will see how John uses stark opposites – light and darkness, love and hate, truth and lies – to contrast the reality of our sin with the light of Christ- and teaches us how to bring this darkness into the light of His son.

**Study Guide Cost: \$10.00**
